Subj: 2012 Membership Drive

To: Oil & Gas Industry Companies

From: SoLA Chapter Membership Committee

On behalf of the South Louisiana Chapter of the International Association of Drilling Contractors, we would like to invite you and your company to join or renew your membership for 2012. IADC welcomes the membership of all companies involved in the worldwide upstream petroleum industry that share a commitment to improving safety, advancing drilling technology, striving for reasonable regulation and legislation, and enhancing the training and education of technical and management personnel.

Value comes in many forms and our South Louisiana chapter provides your company the venue to exchange ideas with oil and gas professionals at local events such as our luncheon series and our annual golf tournament. With your participation and support, we can continue to fund charitable donations to worthy organizations and our very successful scholarship program. Since our records of 1993, the South Louisiana chapter has disbursed \$753,950.00 to scholarship recipients and local charities.

Member companies and your employees are eligible to participate in the South Louisiana chapter's scholarship program. Should you be interested in knowing more on this valuable benefit to your company, we will be pleased to direct you to our 2012 scholarship chairman/assistant chairman.

Your support and participation this year will be crucial to the success and growth of our chapter and programs. 2012 South Louisiana Chapter annual membership dues are still only \$75.00 for three primary members and \$20.00 per additional member. Please note, for your company employees and their families to apply for scholarships, your company must be enrolled as a 2012 active member with the South Louisiana Chapter of IADC.

Please find the attached 2012 invoice and if you have any questions or comments, please direct them to myself or Jeremy Luke.

Best regards,
