22nd Annual Golf Tournament, Squirrel Run Golf Club, New Iberia, LA

Dear Sponsor:

The International Association of Drilling Contractors is a non-profit organization dedicated to its member companies and their well being in today's industry and economy. Aside from working with government and regulatory agencies to assure a fair playing field for our member companies, the South Louisiana Chapter of the International Association of Drilling Contractors is active in programs for the development and happiness of children in the Acadiana area.

Annually the South Louisiana Chapter of the IADC hosts a golf tournament, which brings together a variety of the generous members of the oil and gas industry as well as local businesses in the area, ranging from offshore personnel, management, sales, and service to help raise money for our scholarship fund and for youth organizations. During the past twenty-one years the South Louisiana Chapter of the IADC has raised and distributed over \$695,000 to our sponsored programs. This year's tournament will be held on October 6th & 7th, 2011 at Squirrel Run Golf Club in New Iberia, LA.
