## 22<sup>nd</sup> Annual Golf Tournament October 6<sup>th</sup> & 7<sup>th</sup>, 2011 – Squirrel Run Golf Club

The South Louisiana Chapter of the International Association of Drilling Contractors is pleased to announce our upcoming 22<sup>nd</sup> Annual Golf Tournament. It is always a pleasure to see how well our supporters respond when they are contacted for the various sponsorships that this tournament has to offer. With this being said, I am respectfully asking for your continued support and generosity in helping make the 22<sup>nd</sup> Annual Golf Tournament another successful tournament.

With your help the 21<sup>st</sup> Annual golf tournament was another great success and a complete sellout again in spite of the down turn in the oil and gas industry. With the tremendous support and contributions that we received from each company and everyone that was involved, we were able to fund all of our qualified scholarship applicants (42 - \$1200 scholarships) as well as monetary contributions to Boy's & Girl's Clubs of Acadiana, Toys for Tots and Rebuilding Acadiana. During the past twenty-one years the South Louisiana Chapter of the IADC has raised and distributed over \$695,000 to our sponsored programs.

For 2011 and in future years your continued support and participation is critical to the funding of the scholarship program as well as the mentioned worthy charities. Mark your calendars and come out and help support what many feel is the **best oilfield golf tournament anywhere**. Below are some of the sponsorships that we have to offer you or your company or you can visit our web site at [www.iadcsola.org](http://www.iadcsola.org) to see all of the sponsorships that are available.
